

Three Day Training on "Eco-Restoration of Wastelands" inaugurated at IFP, Ranchi

A three day training program on "Eco-Restoration of Wastelands" has been inaugurated at IFP, Ranchi on 4th December, 2013, by Dr S A Ansari, Director, IFP. The inaugural session was initiated by lighting of lamp by Dr S A Ansari, Director, IFP, Dr S K Banerjee, former scientist, ICFRE who was also the chief guest for the occasion and other senior scientists of the institute. Dr Ansari in his inaugural speech highlighted the importance of wasteland management. Dr S K Banerjee, who has vast experience in the field of wasteland management, also addressed the house. Dr S Nath, Coordinator of the program, elaborated the training schedule and its content. He told the house that the training would incorporate various important aspects of wasteland management. All head of divisions including Dr A K Pandey, Dr Sharad Tiwari, Dr Sanjay Singh, Dr Animesh Sinha, Dr Arvind Kumar and other scientists and staff were also present on the occasion. The session ended with vote of thanks by Dr A K Pandey.
