Skill Sharing Workshop

Promotion of Forest-based Livelihood Options for Youth in Tripura

World Youth Skills Day, July 15, 2016

A one day Skill Sharing Workshop was organized by Centre for Forest-based Livelihoods and Extension (CFLE), Agartala on the occasion of World Youth Skills Day. Youth groups from various parts of the state participated in the programme.

The programme was inaugurated by Fr. Jeevan Kennady SVD, Executive Director, JUST. Sri Atanu Saha, DCF, CFLE presented the livelihood related activities of the Centre on the occasion and explained the importance of developing the skills among the youth specially women. He also appreciated the dedication of the Master Trainers and their support to the youth groups for promotion of Forest-based livelihood activities and creating self-employment opportunities under CFLE extension programme.

The speakers motivated the gathering by delivering lectures on promotion of skill development and building an atmosphere for Win-Win situation by joining together by taking opportunities of self-employment generation under CFLE capacity building programme.

Fr. Jeevan Kennady SVD, Executive Director, JUST delivered his motivational speech on Skill Development. He discussed various issues of Team Work and Team Spirit through sharing his valuable experiences with case stories.

The Regional Director, CFLE, Agartala, appraised the participants about the importance of World Youth Skills Day and purpose of organising the Skill Sharing workshop and also assured for more skill development trainings with large number of participants in near future. During the Practical Sessions the skilled master trainers share their skills on tested techniques of Bamboo Propagation, Bamboo Treatment, Vermicomposting, Bamboo handicrafts etc. With the new groups participated from Kathaliya, Gandhigram, Bamutia and Amtali areas of Tripura. The participating groups have shown their interest in joining the producer groups under CFLE.

At the end of certificates were distributed to the participants.
